After receiving advance publicity in Ohio newspapers, a Klan rally was held 5/28-31/65 in Warren County, Ohio, sponsored by the Ohio members of the National Knights of the Ku Klux Klan. The alleged purpose was to gain publicity for Klan recruitment. It was approximated that 250 to 300 persons were in attendance, a large percentage of whom were described as curiosity observers and newspaper representatives. The Warren County Sheriff's Office, which afforded rally full 24 hour coverage, escorted several Antioch College students from the locale when a scuffle ensued between Klan people and students.

According to sources, James Venable, leader of the National Knights of the Ku Klux Klan, was in attendance. This Klan is headquartered in Tucker, Georgia, and has a membership of approximately 50. Venable has been active in recent weeks attempting to coordinate various Klan groups under one leadership. The Ohio Chapter, according to our sources, is small in numbers having approximately 15 attending closed meetings.

Reference is made to Cincinnati teletype dated 6/2/65, which advised that the National Knights of the Ku Klux Klan (NKKKK) in Ohio is planning to burn a cross near Yellow Springs, Ohio, during the evening of 6/18/65, to protest "left-wing activities at Antioch College." Klansmen are scheduled to protest, during the morning of 6/19/65, a speech by Martin Luther King at the commencement at Antioch College. The over-all purpose, according to a Cincinnati source, is to obtain publicity for the Klan.

[redacted] a NKKKK official, plans to travel to Georgia, Louisiana, Mississippi, and Tennessee, to obtain support for the Klan activities in Ohio. Cincinnati is instructed to stay on top of Klan activities in its territory, arrange for suitable coverage of the 6/18-19/65 activities, and continue close liaison with appropriate law enforcement agencies and military intelligence. The Bureau and interested offices must be kept currently advised.

Recipient offices should be most alert for efforts of [redacted] to recruit Klan support for the Ohio Klan activities. [redacted] who comes from Buchanan, Georgia, recently presided over a two-day Klan meeting in Montgomery, Alabama. A feature of this meeting was a discussion concerning the possibility of uniting various Klan groups into one Klan called, the Knights of the Ku Klux Klan (KKKK). As offices are aware, efforts have been made in the recent past to unite the various Klans under one central leader and power, without success. James Venable, leader of the NKKKK has participated in the unification program and, according to one source, is the leader of the new KKKK. A second name, Association of Klans in America, has also been utilized by this new group. The new Klan group is allegedly taking the place of the NKKKK, which name will be allowed

to disappear. It is obvious at this stage that the above-mentioned Klan names will be utilized interchangeably. Communications should be appropriately captioned with copies designated to all related files. A primary concern should be the obtaining of all available information pertaining to a reorganizing of the NKKKK along with the arranging of suitable coverage of Klan activities aimed at unification.

NOTE:

Klan activities in Ohio have recently increased under the name NKKKK. A rally was held during the weekend of 5/29-31/65, for the purpose of gaining publicity and recruitment of new members. [redacted] and Venable, Klan officials, have been most active in forming a new Klan called, Knights of the Ku Klux Klan, which will not only take over from the NKKKK headquartered in Tucker, Georgia, but will supposedly be the Klan which will unify the various Klan groups in the country. Dissemination of pertinent information has been made to the military, Department, and Secret Service.

[redacted] was present at the meeting. It was decided that the main order of business would be to set up a Royal Concillium for the south, composed of 16 members, 12 of whom have been picked as follows: [redacted] was made a member emeritus; the ruling council consists of Venable [redacted]

[redacted] from Louisiana name unknown, Nims from South Carolina, Wilson, and Hodges from South Carolina. The remainder of the Concillium will be picked shortly.

"There was much discussion about the potential that Ohio has and [redacted] is going back to Cincinnati to attempt to set up headquarters in Cincinnati for klan expansion in Ohio, Kentucky and Indiana. He states that there is a large potential there, and they could have a very big operation in that area.

[redacted] wants to take over the klan. He believes that there is money to be made and the klan can reach its former heights. This was discussed at the first concillium meeting but in view of James Venable's long service they decided not to move Venable out. However, what they have done is the following: [redacted] is going to make many more of the decisions for the organization and they gave a sop to Venable by giving him a dollar from every new member from the dues to go into a legal fund which he will keep.

"Venable still states that they are getting many inquiries about membership and that the membership is growing. Venable continues to hint regularly that there is big money involved and that there are people who are willing to support the operation who are not members of the klan. During the discussion it was asked what they were going to do about people who they could not control or wish to squelch. It was stated by [redacted] that they would use the usual procedure, he said this while drawing a finger across his throat. Venable then said we have the man for that and we will liquidate them.

as necessary. It was suggested that instead perhaps they just castrate them but both Venable and [redacted] stated that no it was necessary to liquidate them to prove that the klan isn't kidding.

"The main portion of the meeting was set aside to ways and means to have a drive throughout the south for membership. Each of the individuals present was told to go back to his area and start working out a plan so that the National Knights could become a large organization, and to work very hard for membership. It was also suggested that the other members of the Concillium submit names for four more members of the Royal Concillium could be picked and appointed."

Cincinnati is retaining the copy of the report in its files.

ReNotel 6-9-65, which indicated that the "heads of each klavern" of the National Knights of the Ku Klux Klan (NKKKK) in Louisiana, East Texas and Arkansas will attend a Klan meeting tentatively scheduled to be held on the afternoon of 6-13-65, Bivins, Texas.

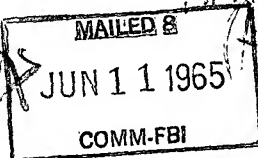

Recipient offices should put forth sustained efforts aimed at affording this meeting sufficient coverage. New Orleans should keep Dallas advised of expected coverage by New Orleans informants. As both offices are aware, the NKKKK has been most active during recent months, in putting forth attempts to consolidate the various Klans throughout the South. It is most important that we stay on top of any plans of unification.

The Bureau should be kept currently advised and pertinent data relating to results of meeting should be furnished in form suitable for dissemination. Both Dallas and New Orleans should continue close liaison with appropriate law enforcement agencies and military intelligence.

For the information of the Bureau, the Wilmington Morning News issue of 6/17/65, contained an article by RALPH DANNHEISSER which stated that DANNHEISSER had been in telephonic contact with the Imperial Wizard JAMES R. VENABLE of the Knights of the Ku Klux Klan.

According to the article, VENABLE stated the Klan is active in Delaware and they plan a rally near Wilmington within six weeks. VENABLE said that the local meeting, complete with Klan cross burning, will be part of a nationwide membership drive.

VENABLE indicated he plans to come to Wilmington to speak at the rally. He claimed that the Klan has been in operation in Delaware for "two months or longer" and claimed a membership of about 600 state wide with "many" in the Wilmington area.

VENABLE also indicated, according to the article, that the object of the Wilmington meeting to be held "in the next 40 days" will be to get members by "letting people know

VENABLE refused to give the names of any Delawareans he claims are members of the Klan, declaring that "It's a violation of the Klan oath to reveal the name of a member."

Re BA AT 6/17/65, reflecting item in the Wilmington,
 Delaware, Morning News, 6/17/65.

RALPH DANNHEISER, Wilmington News Journal, telephonically
 contacted the Baltimore office on June 16, 1965, indicating
 that he understood the National Knights of the Ku Klux Klan,
 Inc. (KKK) were planning a rally in the Wilmington, Delaware,
 area. He asked if the Baltimore office would comment on the
 situation. He was advised that his call was appreciated but
 no comment could be made.

It is noted the article appearing in the Wilmington
Morning News, June 17, 1965, was under the by-line of RALPH
 DANNHEISER.

June 17, 1965, AUSA ALFRED LINDH, Wilmington,
 advised the Wilmington Resident Agency that DANNHEISER had
 called him for his comments concerning the alleged planned
 Klan rally. LINDH stated he had offered no comment to the
 reporter. The Wilmington Evening Journal, June 17, 1965,
 carried an article under DANNHEISER's by-line rehashing the
 morning article, but adding that the USA's office in
 Wilmington would consult with the FBI later in the day of
 June 17, 1965, to discuss the alleged KKK rally. The article

continued that no comment could be made concerning what action government officials could take against the KKK if it did go through with its proposed rally, pending the outcome of the meeting with the FBI. USA LINDH advised that the statement by DANNHEISER was entirely fabricated by the reporter and a misquote of his conversation with that reporter.

Baltimore office has ascertained no reported activity on Klan organizations or hate organizations in the Delaware area from its sources which have been alerted for sometime with respect to these organizations.

Baltimore will continue to be alert to any development in the Wilmington, Delaware, area with respect to renewed activity by the KKK and will attempt to ascertain through sources if the alleged KKK rally for approximately six weeks hence will be held.

Bureau will be kept abreast of all developments. //

On June 14, 1965, a confidential source, who has furnished reliable information in the past, advised that on the afternoon of June 13, 1965, members, consisting principally of National Knights of the Ku Klux Klan and the Association of Arkansas Klans of the Ku Klux Klan, met at the Kosv Kildare Kitchen, which [redacted] of the Klavern of the Association of Arkansas Klans of the Ku Klux Klan, some 10 miles south of Bivins, Texas.

Some 22 Klan members were present from Texas, Louisiana, and Arkansas. The meeting was [redacted] of the Association of Arkansas Klans of the Ku Klux Klan, in the absence of the Grand Dragon of this organization.

The purpose of this meeting was to formulate plans for a meeting, cross-burning and demonstration to be held on the evening of June 19, 1965, at Pine Bluff, Arkansas. This meeting is to congregate some 1½ miles south of Pine Bluff in an open field or pasture which has been leased from a private individual for this purpose. The meeting was proposed to be a brief one, lasting no longer than 45 minutes and beginning at about 8:00 PM or when it is actually dark. No other activities are planned other than the cross-burning and having a speaker, who has not yet been identified or obtained.

The following were identified as being present at this meeting:

RE: NATIONAL KNIGHTS OF THE

ASSOCIATION OF ARKANSAS KLANS
OF THE KU KLUX KLAN

The meeting is being designated by the code name of the "El Dorado Project" in order not to call attention to the fact that the gathering is to be at Pine Bluff. The password for those attending the meeting will be "Arkla" and the response to this password will be "Tex".

Two classes of people are to attend the meeting:

Known and reliable members of the Klan groups who will all be robed and unidentified;

Visitors who are regarded as sympathizers and who will be seated in a segregated or special place at the meeting.

Armed guards are to be posted on the road leading to the meeting place and all persons attending the meeting will be identified and vouched for by guards and parties at the place of access. Any strangers regarded as unsympathetic attempting to attend the meeting, such as Federal Bureau of Investigation agents or peace officers, or others, are to be detained until they are identified and a decision made as to what is to be done about them. No explanation or description was given as to just how this detention will take place and whether or not force will be used.

All Klan members as indicated were to come to the meeting attired in robes and are not to speak to one another during the course of the meeting. A number of visitors regarded as sympathizers are expected to attend from Hamburg, Arkansas. It was also indicated that many additional robes will be taken to Pine Bluff and these might be draped upon sticks of some sort to give the impression that there are more Klan people attending the meeting than actually come.

Klan members from Shreveport also stated during the meeting of June 13, 1965, that they desired a similar demonstration in Louisiana in the near future. The place and time was not designated. They desire to have the support of all Klan groups such as are going to attend the demonstration at Pine Bluff, Arkansas.

RE: NATIONAL KNIGHTS OF THE
KU KLUX KLAN, INC.

ASSOCIATION OF ARKANSAS KLANS
OF THE KU KLUX KLAN

By their expression the members from Coushatta, Louisiana, were regarded as being very militant in their attitude and were heard to make statements that if any Negroes attempt to disrupt the meeting, "it would be just too bad", which was understood to mean that they would take direct and possibly violent action, even by firearms, if necessary.

[REDACTED] of the Association b6
of Arkansas Klans of the Ku Klux Klan, stated during the course of b7C
the meeting that he would attempt to contact some one on Channel 12, b7D
T.V., Shreveport, Louisiana, for publicity. Other members present,
however, were somewhat opposed to this idea and desired secrecy and
security rather than publicity.

ASSOCIATION OF ARKANSAS KLANS
OF THE KU KLUX KLAN (AAK)

On April 22, 1959, a source advised that on April 21, 1959, the AAK was formed at Pine Bluff, Arkansas, for the purpose of promoting white supremacy and segregation of the races, but violence was disavowed. Leaders of the newly formed organization had been the leaders of the Original Knights of the Ku Klux Klan (OKKKK) and the same general policies of the OKKKK were to be carried out by the newly formed organization.

In March, 1965, [] source advised that [] of Pine Bluff, Arkansas, is currently [] of the AAK in Arkansas and he is maintaining a policy of non-violence.

[] source advised that the ritual of the OKKKK is taken from the "Kloran" of the Association of South Carolina Klans (ASCK).

b2
b6
b7C
b7D

Concerning the ASCK the following is noted:

A source advised on September 24, 1956, that the ASCK was organized in the fall of 1955 and is patterned after the Association of Carolina Klans (ACK). The source stated the ASCK is a new organization and not a re-birth of the ACK, although all high-ranking officials of the ASCK had been members of the ACK. The announced purposes of this organization are to promote white supremacy and to combat integration of races; however, the use of violence is disavowed.

A source advised on September 2, 1950, that the ACK was composed of groups formerly members of the Association of Georgia Klans (AGK), and although the ACK severed all connections with the AGK on November 14, 1949, the ideals, purposes, and policies of the two organizations remained identical. The ACK became defunct after conviction and imprisonment of its highest official and other members in 1952.

The AGK has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

JUNE 19, 1965

Reference is made to communication dated June 3, 1965, captioned "Proposed Activities By National Knights Of The Ku Klux Klan Upon Martin Luther King, Jr.'s Visit to Antioch College, Yellow Springs, Ohio, June 19, 1965."

On June 18, 1965, a source who has furnished reliable information in the past, advised that as of this date there is no information the Ku Klux Klan plans to protest or conduct activities at Antioch College while Martin Luther King, Jr. is in the Yellow Springs, Ohio, area.

On the same date, [redacted] source who has not furnished enough information in the past to determine extent of reliability, determined that the Klan could not "muster" enough people to burn crosses in the vicinity of Yellow Springs and do not plan to conduct activities in or near Yellow Springs, Ohio, June 18 or 19, 1965.

On June 19, 1965, James A. McKee, Chief, Police Department, Yellow Springs, Ohio, furnished the following information:

Martin Luther King, Jr. arrived at Cox Municipal Airport, Dayton, Ohio, June 18, 1965, and from there was escorted by the Yellow Springs Police Department and other law enforcement agencies to Yellow Springs, Ohio. King and his wife stayed overnight with [redacted]

ADMINISTRATIVE

It is not clear at this time whether Knights of the Ku Klux Klan - Georgia, which appears an organization in which [] is interested, will eventually become an independent group. It appears very possible that NKKKK will either absorb KKKK - Georgia or vice versa. At the present time JAMES R. VENABLE and [] are working closely together in both groups. Until some move is

made to make the organization definitely separate entities, they are being treated as one organization for reporting purposes although Atlanta maintains a separate file for KKKK - Georgia. Although a resolution was adopted to change the name of NKKKK to Association of Klans of America on 4/11/65, the name NKKKK has continued to be used by the organization; therefore, the title of this report continues to show the true name of NKKKK with Association of Klans of America as an alias name.

[REDACTED] January 25, 1965)

On January 24, 1965, a meeting of the NKKKK was held at Tucker, Georgia. This was a closed meeting for delegates only and about thirty-six persons were present. [redacted] January 25, 1965)

On April 10 and 11, 1965, a two day meeting of the NKKKK was held at the headquarters in Tucker, Georgia. The meeting was presided over by VENABLE who was also the first speaker. He talked about the pending investigation of the Ku Klux Klan organizations by the House Committee on un-American Activities. He said he would furnish free legal advice to any klansman subpoenaed to testify before this Committee. VENABLE accused President JOHNSON of attempting to destroy the klan as well as all secret organizations and urged all white people to join together or the freedom of the American people will be destroyed. VENABLE denied the klan is a subversive organization but stated rather it is an organization for Christian Protestants.

[redacted] of East Point, Georgia gave a speech concerning the history of the United States and details of various sections of the United States Constitution.

[redacted] spoke concerning the objectives of the klan and said it is based on the Constitution of the United States and preservation of the rights of the Caucasian race. The last speaker was an unknown preacher

from Tennessee who represented Dixie Klans, Knights of the Ku Klux Klan, Inc., a characterization of which is included in the appendix of this report. This preacher made a fiery speech. He said there is only one answer to the klan's troubles today and that answer could best be described in the phrase "Praise the Lord and pass the ammunition." He said the time for talking has passed and the time for action is at hand.

The second session of the two day meeting was a closed meeting and called to order on April 11, 1965. During this session a resolution was unanimously adopted to change the name of the organization from National Knights of the Ku Klux Klan, Inc., to Association of Klans in America.

VENABLE discussed the pending investigation by the House Committee on un-American Activities and said he would represent without fee any klansman subpoenaed. He said no klansman should take the Fifth Amendment in testifying and the best answer to some questions would be a poor memory. Delegates were present from Louisiana, Ohio, South Carolina, Florida, and U.S. Klans, Knights of the Ku Klux Klan, Inc., a characterization of which is included in the appendix of this report.

[redacted] April 12, 1965)

At the above described meeting on April 11, 1965, a committee consisting of [redacted] was appointed by VENABLE to contact [redacted] of United Klans of America, Inc., Knights of the Ku Klux Klan, to determine his future plans and intentions and to determine if he will join in and cooperate with the NKKKK. This committee is to report the results of its efforts to the secretary who will in turn furnish the information to all member klan groups.

[redacted] April 13, 1965)

AT 157-60

A characterization of United Klans of America, Inc., Knights of the Ku Klux Klan, is included in the appendix of this report.

The NKKKK of Ohio have a klan rally scheduled to take place on May 28, 29, and 30, 1965, on [redacted] at Oregonia, Ohio. Local klan members and members of the National States Rights Party and interested individuals have been requested to attend this rally to find out what the klan is about.

[redacted] May 20 and 24, 1965)

A characterization of the National States Rights Party is included in the appendix of this report.

On May 9, 1965, a meeting of the National States Rights Party was held at 224 Oak Street, Dayton, Ohio. [redacted] of the Dayton Unit, urged all members to attend the klan rally to be held at Oregonia, Ohio over the Decoration Day weekend.

[redacted] May 14, 1965)

As of May 26, 1965, the klan rally at Oregonia, Ohio for the weekend of May 28 - 31, 1965, was scheduled to take place at Oregonia, Ohio.

[redacted] May 26, 1965)

On May 28, 1965, [redacted] Warren County Sheriff's Office, Lebanon, Ohio, advised the rally was in progress, having started at 8:00 p.m. that date. As of 10:00 p.m. people were arriving. [redacted] noted that at approximately 4:00 p.m. one of the klan guards identified [redacted] shot a weapon twice into the air when it appeared that a reporter was going to trespass into the restricted klan area. [redacted] was arrested on a charge of carrying a concealed weapon. He resides at [redacted] Baltimore, Maryland, and is a student at Ohio State University, Columbus, Ohio. On May 29, 1965, Sheriff BYRON K.

KENNARD, Warren County Sheriff's Office, advised approximately 250 people attended the rally the night before with a large percentage of curiosity observers and newspaper reporters. Two wooden poles made into a large cross were burned at the rally site during the night of May 29, 1965.

During the evening of May 31, 1965, Sheriff KENNARD advised a second cross was burned and a small crowd was in attendance, exact number unknown.

Klan leaders in attendance at the rally considered the rally a success. Approximately 100 individuals filled out applications to join the Klan and a lot of money was collected as initiation dues from the individuals filling out the applications. During the rally VENABLE made two speeches attacking Communism in Government, Negroes, Jews, and President JOHNSON's policy regarding civil and voting rights of Negroes.

On June 13, 1965, members of the NKKKK and the Association of Arkansas Klans of the Ku Klux Klan, a characterization of which is included in the appendix of this report met at the Kosy Kildare Kitchen about ten miles south of Bivins, Texas. The purpose of the meeting was to formulate plans for a cross burning and demonstration to be held on the evening of June 19, 1965, at Pine Bluff,

AT 157-60

Arkansas. The meeting was designated by the code name of "El Dorado Project." Plans were for two classes of people to attend. The first to be known and reliable members of the Klan group who will be robed and unidentified and the second visitors, who are regarded as sympathizers, will be seated in a special place at the meeting.

[redacted] June 14, 1965)

The "Wilmington Morning News," a newspaper of general circularization, Wilmington, Delaware, in its issue of June 17, 1965, contained an article which stated that Imperial Wizard JAMES R. VENABLE of the Knights of the Ku Klux Klan stated the klan is active in Delaware, and they plan a rally in the Wilmington, Delaware area within six weeks.

IV. FINANCES

On April 11, 1965, at a meeting of the NKKKK held at Tucker, Georgia, the treasurer's report was read, and those present were advised the organization has a total of \$180.44. There is no known bank account in the name of National Knights of the Ku Klux Klan.

V. PUBLICATIONS AND PROPAGANDA

On January 23, 1965, at a meeting of the NKKKK at Tucker, Georgia, [redacted] offered a plan to slow up Negro voting. He suggested the klan investigate the number of Negroes in each state who are on relief and also determine how many illegitimate children these people have. He said that in his opinion Negroes on relief with illegitimate children should not have the right to vote.

AT 157-60

At a meeting of the NKKKK on April 10, 1965, an unknown preacher from Tennessee representing Dixie Klans, Knights of the Ku Klux Klan, said the time for talking has passed and the time for action is at hand and violence is the only answer he can see to the klan's present problem.

[redacted] April 12, 1965)

On April 13, 1965, the regular weekly closed meeting of Klavern 1, Dixie Klans, Knights of the Ku Klux Klan, was held at Chattanooga, Tennessee. It was learned during this meeting that some members of that unit attended the above mentioned meeting at Tucker, Georgia, one of whom was [redacted] who in all probability was [redacted] referred to above who spoke at the meeting there on April 10, 1965. [redacted] has been committed to a mental institution on two or more occasions and his relatives have recently made efforts to have him recommitted.

[redacted] April 14, 1965)

At the meeting of the NKKKK held on April 11, 1965, at Tucker, Georgia, [redacted] from Louisiana gave each person present a copy of a leaflet which [redacted] stated had been distributed by the klan in Louisiana. This leaflet is entitled "The Klans Answer to LYNDON JOHNSON." It reads as follows:

"On Friday, March 26, 1965, Lyndon Johnson, President of the United States, attacked one of the most patriotic organizations in this great land. He warned every Klansman to get out of the Ku Klux Klan and to join a 'decent' society for the Klan was going to be investigated and destroyed.

"Lyndon Johnson, we know that we are not a perfect organization. We have a few misfits just as surely as there has been a misfit recently elected President of the United States. We do not advocate murder in any form for any cause, yet you condemn an entire organization for the actions of a few and they have yet to be proven guilty.

AT 157-60

We do not condemn everyone in the Democratic Party for your actions, Lyndon Johnson.

"No, Lyndon, you are wrong about the Ku Klux Klan. You can no more destroy us than you can destroy the heavens or the oceans. Even with all your Ill-gotten and Ill-used Power, the Left Wing News Media, the N.A.A.C.P., C.O.R.E. and all of the other Communistic and Socialistic rabble rousers, we will survive. For while there is a flicker of life in one true Klansman, the Klan will never die..

"It is you, Lyndon Johnson, that has turned his back on the white people of this country, not the Ku Klux Klan. It is you, Lyndon Johnson, who should join a 'decent' society. It was you, Lyndon Johnson, that expressed shock and anger when an agitator was killed in Alabama. You even telephoned your sympathy to her family. Yet when a White Law Officer is murdered by Niggers in Mississippi you did not see fit to mention it or telephone his widow. Were you not shocked and angered by this, Lyndon? Where is your sense of 'decency'?

"So bring on your investigations, Lyndon. We have nothing to fear, for we know that ours is a just cause. Our fight is for Racial Integrity and Constitutional Government. Are we fighting for too much, Lyndon? The Klan will disband when every Communist and Integrationist is driven from our shores. We will fight with every means at our disposal, at the Ballot Box, in the Swamps, or in the Hills, if necessary, for we shall never surrender. THIS IS OUR ANSWER!"

VI. MISCELLANEOUS

[redacted] has been working with JAMES R. VENABLE to form a new klan organization to be known as Knights of the Ku Klux Klan. This organization is, like NKKKK, an effort to bring various klan groups together under one leadership. [redacted] claims to have the secret second degree of klancraft entitled "Knights of the White Camelia" which he has offered to confer upon selected groups and individuals. At this time Knights of the Ku Klux Klan, which has not been chartered, appears to be working with NKKKK. Both names, as well as Association of Klans in America, are used interchangeably and are in fact the same organization.

[redacted] June 24, 1965)

On Sunday, April 4, 1965, a meeting for the purpose of organizing a new klan organization to be called Knights of the Ku Klux Klan was held at Tucker, Georgia at the headquarters of the NKKKK. [redacted] at the meeting and JAMES R. VENABLE was present. There was discussion concerning investigation by the House Committee on un-American Activities, and it was stated by someone present that United Klans of America, Inc., Knights of the Ku Klux Klan, had brought on the investigation through the radical activities of some of its members. It was further brought out that it would be a good idea to infiltrate United Klans of America in order to learn about the organization and in an effort to attract some of the good men in the organization into the new klan group. It was explained that the new organization, Knights of the Ku Klux Klan, will have a board made up of seventeen members which will be secret and whose identity will not be known to the general membership. [redacted] made the statement that the new Knights of the Ku Klux Klan is strictly a non-violent organization and will have nothing to do whatsoever with violence. He said the principals of the new organization will be to fight for white supremacy and the Constitution of the United States.

VIGILANTES
LAMAR COUNTY, GEORGIA

A source advised on July 28, 1964, a hate type organization had been formed in Lamar County, Georgia, known as the Vigilantes. Source advised the Vigilantes' leadership was composed of former Klansmen, some of whom had been arrested in Griffin, Georgia, on April 25, 1964, in possession of numerous firearms.

On April 25, 1964, five men subsequently identified as members of the United Klans of America, Inc., Knights of the Ku Klux Klan, burned a cross in downtown Griffin, Georgia, and while the cross was being set up, weapons were pointed at persons standing on the street. These persons were arrested by the Griffin, Georgia Police Department.

Source advised the Vigilantes advocate the use of violence and are opposed to integration in any form. Source advises the leaders of the Vigilantes instruct members to purchase weapons and ammunition.

On September 3, 1964, source advised the Vigilantes, after substantial decrease in membership, advocated the approach that the Bible upholds their views on segregation. Source advised members meet in a church owned by the family of four of the members.

DIXIE KLANS, KNIGHTS OF THE KU KLUX KLAN, INC.
(DIXIE KLANS, STATE OF GEORGIA)

A source advised in August, 1964, that Dixie Klans has no state organization in Georgia, but does have a few members who reside around Rossville, Georgia, and who attend meetings of the organization in Chattanooga, Tennessee. The source stated that the members of Dixie Klans who reside in Georgia are under the direct control and supervision of the headquarters of the organization located at 2523 Glass Street, East Chattanooga, Tennessee.

ASSOCIATION OF THE ARKANSAS KLANS
OF THE KU KLUX KLAN (AAK)

A source advised on April 22, 1959, as follows: AAK was formed on April 21, 1959, at Pine Bluff, Arkansas, for the purpose of promoting white supremacy and segregation of the races but violence was disavowed. Leaders of AAK were previously members of the Original Knights of the Ku Klux Klan (OKKKK). [redacted] of OKKKK for the State of Arkansas, was carried over as the Grand Dragon of the new organization, AAK. A source advised that on August 11, 1960, [redacted] disavowed violence. [redacted] source advised that on January 21, 1962, the new [redacted] disavowed violence. [redacted] of the AAK. [redacted]

b2
b6
b7C

source stated the ritual used by OKKKK is taken from the "Kloran" of the Association of South Carolina Klans of the Ku Klux Klan (ASCK). Regarding the ASCK, the following is noted: A source advised on September 24, 1956, that the ASCK was organized in the Fall of 1955 and is patterned after the Association of Carolina Klans (ACK). The source stated the ASCK is a new organization and not a rebirth of the ACK, although all high-ranking officials of the ASCK had been members of the ACK. The announced purposes of this organization are to promote white supremacy and to combat integration of races; however, the use of violence is disavowed.

A source advised on September 2, 1950, that the ACK was composed of groups formerly members of the Association of Georgia Klans (AGK), and although the ACK severed all connections with the AGK on November 14, 1949, the ideals, purposes and policies of the two organizations remained identical. The ACK became defunct after convictions and imprisonment of its highest official and other members in 1952.

The AGK has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

DETAILS:

AT SHREVEPORT, LOUISIANA

IDENTITIES OF LEADERS IN LOUISIANA
AND CONNECTION WITH NATIONAL ORGANIZATION

On April 6, 1965, [REDACTED] advised that [REDACTED] had visited [REDACTED] on Southern Avenue in Shreveport that day about 10:30 AM.

The following investigation was conducted by
SA [REDACTED]

NO 157-188/scr

On April 6, 1965, observation of the Pick Nick Store, 6904 Southern Avenue, Shreveport, operated by [redacted] revealed a white Comet, bearing 1964-1965 Louisiana license [redacted] parked in front of the store. This car was observed between 11:00 AM and 11:15 AM. It was unoccupied. At 11:20 AM, this car was gone.

On April 7, 1965, [redacted] Troop G, Louisiana State Police, Bossier City, advised 1964-1965 Louisiana license [redacted] is registered to [redacted] Coushatta, Louisiana, for a 1961 Comet 4-door.

[redacted] on April 21, 1965, advised that [redacted] is [redacted] of the Shreveport Klavern, but is not referred to as the Exalted Cyclops.

[redacted] advised that, on March 31, 1965, [redacted] talked with [redacted] about getting into [redacted] Klan unit. [redacted] told [redacted] he would have to be investigated and go before the board. [redacted] learned [redacted] it would take a week or 10 days before [redacted] would know if he was accepted.

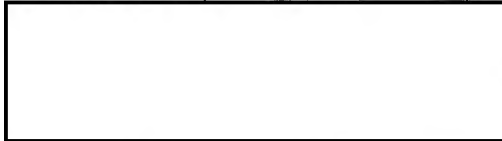

[redacted] stated that during a meeting of the Shreveport Unit of the National Knights of the Ku Klux Klan on April 6, 1965 [redacted] was voted into that unit, but did not have to pay an initiation fee because he formerly had been a Klan member. [redacted] related that at this same meeting [redacted] said they had not been charging dues, but might have to start because of expenses.

[redacted] reported that [redacted] was considering forming a new Klavern, using five new men to be brought in by [redacted] and four new ones to be brought in by [redacted]

[redacted] advised on March 25, 1965 that at a meeting of the National Knights of the Ku Klux Klan (NKKKK) on March 23, 1965 three new members were sworn in and that all three wore hoods and robes part of the time. [redacted] was in charge of the meeting and took part in the swearing in of the new members. [redacted] appointed the following committees:

Swearing in Committee

Meeting Place and Land Committee

According to [redacted] the purpose of the Meeting Place and Land Committee was to look for a place to buy and use as a meeting place. They also are to locate a place to hold large meetings 400 to 600 men, as they want to have a meeting near Jonesboro, Louisiana, and have members from Arkansas, East Texas and East Louisiana. There are no definite plans for this meeting as yet however.

[redacted] said that [redacted] stated robes would be made by [redacted] at a cost of \$10.00 each.

[redacted] stated on April 6, 1965 that [redacted] agreed that in the future new members for the Shreveport group will be sworn in at Shreveport instead of having to go to Coushatta, Louisiana, and that the \$10.00 initiation fee will remain with the Shreveport Unit. The charge for robes would be \$10.00 and dues would be \$2.00 every three months.

[redacted] advised that during a meeting of the NKKKK on April 6, 1965 there was some discussion about the fact that the United Klan, another Klan organization, had contacted a man named [redacted] in Coushatta, Louisiana, concerning the possibility of joining forces. [redacted] is supposed to be the head of the NKKKK in the Shreveport-Coushatta area and possibly the entire State of Louisiana.

[redacted] related that there was some discussion at this meeting regarding [redacted], who was present at this and the former meeting. [redacted] formerly was the head of the National Organization for Whites, which allegedly is now inactive.

NO 157-188/scr

According to [] there was no Klan literature, membership book or membership list at this meeting.

[] stated that at the meeting of April 6, 1965 it was agreed that this meeting and future meetings would be known as meetings of the National Organization for Whites (NOW), this being to avoid the group being known as the Klan. [] said he felt that under these circumstances the membership should pay dues to NOW, but this apparently was not accepted by anyone.

[] advised the NKKKK would hold a meeting at Tucker, Georgia, on April 10-11, 1965.

[] on April 7, 1965, advised that neither [] Klan [] in Shreveport, Louisiana, or [] in Coushatta, Louisiana, would attend the meeting of the NKKKK in Tucker, Georgia, on April 10-11, 1965. [] knew of no one from Louisiana who would attend this meeting.

[] advised that a national meeting of the NKKKK was held at the Carl Gorman Building, Tucker, Georgia, on April 10-11, 1965.

The closed meeting of the NKKKK limited to delegates to the national meeting, came to order in the hall at 9:18 AM, April 11, 1965.

WALTER BAILEY^{u/a} raised his hand and stated that he was there at the special invitation of JAMES R. VENABLE to discuss the proposed investigation of the Klan organizations. [] presiding, asked BAILEY if it was his desire to again become a member of the NKKKK and he said no. BAILEY was excluded from the meeting and VENABLE asked BAILEY to wait for him in his office.

A committee, consisting of [] was appointed by JAMES R. VENABLE to contact [] United Klans of America, Inc. (UKA) to determine his future plans and intentions and to determine if he will join in and cooperate with the NKKKK. This committee is to report the results of its efforts to the secretary who will in turn furnish the information to all member Klan groups.

b2
b6
b7C
b7D

✓ [redacted] stated they had all agreed on the name of National Knights of the Ku Klux Klan, Inc., for their group and that JAMES VENABLE had subsequently incorporated a separate Klan group under this name. [redacted] suggested a new name be decided on for this organization which no one would take and incorporate. JAMES R. VENABLE made a motion that the name of the organization be changed to Associated Klans in America (AKIA). (It is noted the initials AKIA have been used in the past among Klansmen to identify themselves to one another and it stands for "A Klansman I AM".)

Committees were set up and chairmen designated, with the chairmen to select their own committee members. One of these was the Educational Committee with (First Name Unknown [redacted] Louisiana, [redacted] possibly [redacted]

Among the delegates in attendance and Klans represented was the Original Klans of Louisiana [redacted] [redacted] Winnshoro; (First Name Unknown [redacted] (possibly [redacted] and one unidentified man.

[redacted] advised that on the evening of April 10, 1965, the first session of a two-day meeting of the NKKKK was held at the Organization's Headquarters, the Carl Garmon Building in Tucker, Georgia. This was an open meeting and there were persons present who were not Klan members. There were between forty-five and fifty persons present, including several women.

Among those present at this session of the two-day meeting were [redacted] Winnsobor, Louisiana, and (First Name Unknown [redacted] Louisiana.

[redacted] of Louisiana presided and [redacted]

Louisiana had three delegates at the meeting. These were [redacted] (First Name Unknown) [redacted] and an unknown white male described as about [redacted] years old, tall thin with ruddy complexion.

b2
b6
b7C
b7D

[redacted] from Louisiana gave each person present at the meeting a copy of a leaflet which [redacted] stated had been distributed by the Klan in Louisiana. This leaflet is entitled "The Klans Answer to Lyndon Johnson".

[redacted] advised that at a meeting of the NKKKK in Shreveport on April 6, 1965 one topic of discussion was the possible reorganization under the leadership of [redacted] of Alabama. [redacted] further stated that [redacted] informed there was to be a meeting in Tucker, Georgia, on April 10-11, 1965, to be attended by top men, at which time the possibility of joining with [redacted] would be further discussed. [redacted] said there would be three men coming to Shreveport and Coushatta to help with the reorganization. [redacted] also stated that [redacted] of Coushatta, Louisiana, would not attend the meeting in Georgia because he had been sick.

[redacted] advised that on April 11, 1965 The Secret Imperial Board of Knights of the Ku Klux Klan held a short meeting in the offices of JAMES R. VENABLE at Tucker, Georgia, late in the afternoon of April 11, 1965. Present were JAMES R. VENABLE, [redacted]

[redacted] from Winnsboro, Louisiana, (First Name Unknown) [redacted] from Louisiana, described as an employee of the [redacted] of the State of Louisiana, also described as over six feet tall, about [redacted] years old, weighing about 230 pounds and an unidentified man from Louisiana, described as a white male, about 38 years old, tall, thin, with a ruddy complexion.

(First Name Unknown) [redacted] said that the Klan would have to get some way to raise money. All present agreed to a plan proposed by [redacted] in which each member would be asked to pledge \$10.00 per month for one year. It was also agreed that donations from Klan sympathizers would be solicited.

[redacted] advised there was a meeting of the NKKKK at Coushatta, Louisiana, on Sunday, April 25, 1965. The meeting was held in an upstairs jury room in the (Red River) Parish Courthouse. It was supposed to start

at 2:30 PM, but did not actually start until about 3:00 PM and it lasted about an hour and a half. There were 24 persons present, representing Texas, Arkansas and Louisiana.

NO 157-188/scr

[redacted] also stated that some of those present were as follows:

[redacted] and the man believed to be name [redacted] came to the meeting together.

[redacted] was in charge of the meeting. The main topic of discussion was the three grades in the Klan, which they described as similar to the Masons. Members attain these grades, or steps, through length of service and duties performed. It was mentioned that the old members will take the second step or obligation, at the next meeting. This will cost them \$15.00 each.

[redacted] also said they want all members, regardless of how long they have been members, to pay \$10.00 per month, if they are financially able. Their aim is to get 1,000 men to pay \$10.00 per month for one year. [redacted] said this money is to go into a fund to pay expenses, but he did not elaborate further.

It was also discussed that they will have an organizer in each Congressional District. Each state is to have 12 men who will be on the Board of Directors.

b2
b6
b7C
b7D

It was agreed there will be a meeting every month, at a different location each time. The next meeting will probably be held in Bossier City, Louisiana, to be arranged by [redacted]. No specific location was mentioned, although [redacted] said they may try to get [redacted] barn in Haughton, Louisiana, near Bossier City.

At the next meeting there will be an election for a Grand Dragon for each of the three states, Texas, Arkansas and Louisiana.

[redacted] said he had talked to [redacted] the United Klan regarding [redacted] merging his group with the NKKKK, but [redacted] declined. [redacted] made no mention of any plans for National Knights to merge with United Klans.

There was some discussion about continuing efforts to locate at least 20 acres of land near Shreveport for a future meeting.

[redacted] said he is building a new home in Coushatta. There was talk about getting a new meeting place in Coushatta and they talked about possibly getting back the old house in the country southeast of town where they used to meet.

b2
b6
b7C
b7D

The men from Texas and Arkansas talked about how [redacted] of Shreveport had obtained \$243.40 from their group at Bivins, Texas, about a year and a half ago. [redacted] had called what he referred to as a "national emergency meeting" and collected the money. They have not been able to get any of it back since then.

On June 9, 1965, [redacted] reported that [redacted] of Coushatta and [redacted] of Shreveport stated that there was to be a Klan meeting on June 13, 1965 at Scott's Restaurant at Bivins, Texas. The meeting was scheduled for 2:00 PM and [redacted] was to be the speaker. The heads of the Klaverns from Louisiana, East Texas and Arkansas and Mississippi were to be invited.

[redacted] advised that on the afternoon of June 13, 1965 members, consisting principally of NKKKK and Association of Arkansas Klans (AAK) of the Ku Klux Klan, met at the Kosy Kildare Kitchen, which is [redacted] of the Klavern of the AAK

NO 157-188/scr

some 10 miles south of Bivins, Texas.

Some 22 Klan members were present from Texas, Louisiana and Arkansas. The meeting was conducted by [redacted] of the AAK in the absence of the Grand Dragon of this organization.

The purpose of this meeting was to formulate plans for a meeting, cross-burning and demonstration to be held on the evening of June 19, 1965, at Pine Bluff, Arkansas. This meeting is to congregate some 1½ miles south of Pine Bluff in an open field or pasture which has been leased from a private individual for this purpose. The meeting was proposed to be a brief one, lasting no longer than 45 minutes and beginning at about 8:00 PM or when it is actually dark. No other activities are planned other than the cross-burning and having a speaker, who has not yet been identified or obtained.

The following were identified as being present at this meeting:

Shreveport, Louisiana

[redacted]

[redacted] other unidentified persons

Coushatta, Louisiana

[redacted]

[redacted] other unidentified persons

The meeting is being designated by the code name of the "El Dorado Project" in order not to call attention to the fact that the gathering is to be at Pine Bluff. The password for those attending the meeting will be "Arkla" and the response to this password will be "Tex".

Two classes of people are to attend the meeting:

Known and reliable members of the Klan groups who will all be robed and unidentified;

Visitors who are regarded as sympathizers and who will be seated in a segregated or special place at the meeting.

b6
b7C
b7D

Armed guards are to be posted on the road leading to the meeting place and all persons attending the meeting will be identified and vouched for by guards and parties at the place of access. Any strangers regarded as unsympathetic attempting to attend the meeting, such as Federal Bureau of Investigation Agents or peace officers, or others, are to be detained until they are identified and decision made as to what is to be done about them. No explanation or description was given as to just how this detention will take place and whether or not force will be used.

All Klan members as indicated were to come to the meeting attired in robes and are not to speak to one another during the course of the meeting. A number of visitors regarded as sympathizers are expected to attend from Hamburg, Arkansas. It was also indicated that many additional robes will be taken to Pine Bluff and these might be draped upon sticks of some sort to give the impression that there are more Klan people attending the meeting than actually come.

Klan members from Shreveport also stated during the meeting of June 13, 1965, that they desired a similar demonstration in Louisiana in the near future. The place and time was not designated. They desire to have the support of all Klan groups such as are going to attend the demonstration at Pine Bluff, Arkansas.

By their expression, the members from Coushatta, Louisiana, were regarded as being very militant in their attitude and were heard to make statements that if any Negroes attempt to disrupt the meeting, "it would be just too bad", which was understood to mean that they would take direct and possibly violent action, even by firearms, if necessary.

[redacted] of the Association of Arkansas Klans of the Ku Klux Klan, stated during the course of the meeting that he would attempt to contact some one on Channel 12, T.V., Shreveport, Louisiana, for publicity. Other members present, however, were somewhat opposed to this idea and desired secrecy and security rather than publicity.

NO 157-188/scr

[redacted] advised on April 14, 1965 that [redacted] of Shreveport Klavern of NKKKK, stated that there is to be a Klan meeting in Karnack, Texas, sometime in May, to be held on property owned by a Klansman and that this meeting has been cleared with the local police.

[redacted] stated that he understands the meeting is being organized by the NKKKK from Coushatta, Louisiana, but there will probably be persons from other Klan groups in east Texas present. [redacted] stated [redacted] indicated Karnack was selected as the location of the meeting as a slap at the Federal Administration because Mrs. LYNDON JOHNSON comes from that area.

[redacted] advised on May 5, 1965 that [redacted] had remarked to someone that, due to the lack of cooperation, plans were dropped by the Coushatta Unit for the above-mentioned meeting in Karnack, Texas.

[redacted] advised there was to be a meeting of some Arkansas Klansmen with [redacted] at Coushatta, Louisiana, on April 25, 1965, but the purpose of the meeting was not known.

[redacted] advised that a Klan meeting was held at the Red River Parish Courthouse in Coushatta, Louisiana. There were about 23 Klansmen present. This meeting was called by [redacted] of Coushatta. Some of those present were:

NO 157-188/scr

The Louisiana men were some from the National Knights of the Ku Klux Klan and some were from the Original Knights of the Ku Klux Klan (OKKKK).

[] who is associated with JAMES VENABLE of Atlanta, Georgia, presided at the meeting in Coushatta. He stated an elite group of Klansmen from the various Klaverns are to join to form what will be known as the Knights of the White Camelia. Those joining this group will remain members of their own organizations such as the NKKKK, OKKKK or the AAK, but will also become Klansmen of the "Second Degree", in that they will also belong to the higher and more security minded group known as the Knights of the White Camelia.

The purpose of this latter organization will be to provide an overall leadership and coordinating body for the various Klan groups; to arrange mass meetings where various groups will participate and to provide funds for attorney fees for Klansmen accused of crimes. Dues to the Knights of the White Camelia will be \$10.00 per month and is to be headed by JAMES VENABLE of Atlanta, Georgia.

One [] was named by [] as the only person qualified to induct persons into the Knights of the White Camelia and [] was not present. Another such meeting will be necessary therefore with [] present, before the necessary ceremonies can be held to induct members. Some felt they ought to burn a cross for the minister, but no plans were made in this regard. During the meeting, [redacted] explained how one could take a fish line and attach firecrackers to it so they go off one at a time. He explained how this could be used to harass the Negroes.

Most of the time at the meeting was spent in discussing a roadside Klan meeting at 8:30 PM, on July 17, 1965, on the north side of U.S. Highway 80, about eight miles east of Bossier City, Louisiana, and between Bossier City and Minden, Louisiana. [] advised on February 18, 1965 that [] a Klansman from Center, Texas, traveled to Zowlie, Louisiana, for the alleged purpose of showing [] was supposed to take four machine guns to Shreveport and turn them over to a Texaco truck driver.

The following investigation was conducted by
SA []

AT SHREVEPORT, LOUISIANA

On April 20, 1965, []

[] Texaco, Inc., 419 Edwards Street, P.O. Box 1737, advised his records indicate Truck Number 72107 is a 1½ ton International truck, which operates out of their Shreveport District, but is used in the Bethany Field, located in Panola County, Texas, just across the state line from Bethany, Louisiana. This is a "gang" truck and is used by at least three or four different persons, whose names he does not know. The truck is kept in a fenced yard at their office located some three to five miles east of Panola, Texas, on U.S. Highway 79. This yard is locked at night, and the truck is not used at night.

[] stated he did not believe the truck had the number 72107 painted on it, but that it probably had a Texaco insignia painted on it. He noted that when gasoline purchases are made for their trucks, the truck number is placed on the gasoline invoices. [] advised that, insofar as he knows, this particular truck has not been used in Shreveport. He stated he would try to develop more specific information as to who might have been driving the truck on or about February 18, 1965.

On April 21, 1965, [] stated he had made some inquiry about the personnel who might drive this truck, but had been unable to determine this to date, as it involved checking with several different departments of the company. He stated in the event he is able to develop more specific information in this regard, he will advise the FBI. [] was asked if he had received any information indicating any company employees in the Bethany Field area who were involved in Klan activities, and he stated he had not.

[] on June 25, 1965, reported of learning that at a combined meeting of the Shreveport and Bossier City, Louisiana, Klaverns of the NKKKK [] exhibited a shotgun shell of 00 Buckshot, which shell was in a brass case. The shell case had the letters "USMC" stamped on the edge of the firing pin end. [] was reported to have said he had several rounds of this ammunition and would be willing to trade some of it for handgrenades.

MISCELLANEOUS

[] advised on March 25, 1965 that, during a meeting on March 23, 1965, [] said that [] had been contacted by the FBI. [] further advised that [] had invited the FBI Agent to his office. [] said the Agent never did convince him [] that he was violating any Federal law. He thought it was best to be nice and see what the FBI wanted.

[] then said the FBI is not stupid and that they should not talk to them. [] then issued the order that no one was to answer any questions asked by FBI Agents.

[] advised that, during a regular meeting of the NKKKK on March 30, 1965, [] stated [] was resigning from the Klan, apparently because he is afraid of jeopardizing his job at the United States Post Office.

[] advised on April 6, 1965 that [] of NKKKK, Coushatta, Louisiana, had on same date discussed proposed plan of harassment of FBI Agents as a result of recent FBI interviews of Klansmen. [] stated [] commented that both the Klan and the FBI feared publicity and that if Klan can get unfavorable publicity about the FBI published first, the Klan will get the upper hand. [] stated [] remarked the Klan cannot expect sympathy from the newspaper in Coushatta, but that two Shreveport newspapers, not further identified, are sympathetic to the Klan.

[] stated [] did not elaborate on steps to be taken to harass the FBI, except that they should find out as much as they can about local Agents in the Shreveport area by going into their office and their homes and trying to develop information about Agents that would embarrass them if publicized.

NO 157-188/scr

[] stated [] also advised the Klan was going underground with 90% underground and 10% above ground. [] further advised that the meeting of the Shreveport Unit of NKKKK held April 6, 1965, the topic of interview of Klansmen by FBI was discussed and it was generally agreed that the Klan should ignore harassment by FBI, that if interviewed, they should not become angry, but should not give out information and should not permit Agents into their homes if their wives are home.

[] advised it was agreed at this meeting that there would be no Klan literature or anything else to identify it as a Klan meeting and that this meeting and future meetings would be considered meetings of NOW. [] noted that [] of NOW was present at this meeting.

UNITED KLANS OF AMERICA, INC., KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U.S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

[redacted] source and [redacted] source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is [redacted] and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, [redacted] source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. [redacted] source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

[redacted] source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U.S. Klans, Knights of the Ku Klux Klan merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

A source advised that on August 11, 1960, [redacted] [redacted] disavowed violence. [redacted] source advised in January, 1963, that the new [redacted] disavowed violence and that [redacted] is the Legal Counselor of the AAK. [redacted] source stated the ritual used by OKKKK is taken from the "Kloran" of the Association of South Carolina Klans of the Ku Klux Klan (ASCK).

Regarding the ASCK, the following is noted:

A source advised on September 24, 1956, that the ASCK was organized in the fall of 1955 and is patterned after the Association of Carolina Klans (ACK). The source stated the ASCK is a new organization and not a re-birth of the ACK, although all high-ranking officials of the ASCK had been members of the ACK. The announced purposes of this organization are to promote white supremacy and to combat integration of races; however, the use of violence is disavowed.

A source advised on September 2, 1950, that the ACK was composed of groups formerly members of the Association of Georgia Klans (AGK), and although the ACK severed all connections with the AGK on November 14, 1949, the ideals, purposes and policies of the two organizations remained identical. The ACK became defunct after conviction and imprisonment of its highest official and other members in 1952.

A New Orleans racial informant who has furnished reliable information in the past, advised that during a recent Klan meeting in Shreveport, Louisiana, some members of the National Knights of the Ku Klux Klan exhibited two types of auger drills. The drills, which were approximately ten inches and three inches in length, were machined to a very sharp point at one end, with a crossbar handle at the other end. According to the source, the longer drill was said to be used for puncturing tires and car radiators and the shorter instrument for "close in fighting."

While no mention was made to the effect that these instruments would be utilized to harass our Agents, we certainly should consider such a possibility. There have been numerous instances in the past of the Klan discussing harassment tactics including a threat to inflict bodily harm. All appropriate offices have been previously alerted to the various Klan tactics. These same offices have been advised of this latest Klan weapon so that Agents handling this type of investigation may take the appropriate precautions. The Department, Secret Service, and Military Intelligence Agencies have been furnished the above information. Appropriate local authorities are being advised.

[redacted] stated that by letter dated July 29, 1965, Secretary of State THAD EURE advised [redacted] North Carolina, that the National Knights of the Ku Klux Klan, Inc. had authority to do business in the State of North Carolina. He advised the records of his office contained no additional pertinent information except copies of "Application for Certificate of Authority," filed July 29, 1965, 11:54 a.m., by THAD EURE, Secretary of State, North Carolina; a copy of the petition to charter The National Knights of the Ku Klux Klan, Inc. in DeKalb County, Georgia, as filed by [redacted] for the Petitioners; and a copy of the Certificate of Incorporation of the National Knights of the Ku Klux Klan, Inc., November 1, 1963, in the State of Georgia.

He stated the tax on captioned group will be \$10 yearly inasmuch as this group is claiming to be a non-profit (group) organization and attempts to influence public opinion. He said as of that date no Form C-301 had been filed.

He stated that normally his office receives a list of corporations who have authority to do business in the State of North Carolina from the Secretary of State's office but as of that date they had not received the name of the captioned group. "Dear Patriot:

"The National Knights of the Ku Klux Klan Association will hold a public speaking and cross burning near Atlanta at Stone Mountain, Georgia, September 4, 1965. This meeting will be held at the regular location of all National Klans rallies.

"All Klanspeople, their families, and all patriotic white people are invited to attend this rally. We urge all Klanspeople to bring and wear their robes. This will be the 50th Anniversary of the re-birth of the Klan on Stone Mountain and we want this to be the largest rally ever held in this part of the country.

"For the convenience of those who will be travelling with their house trailers, there will be a place to park and free lights and water will be furnished. If you desire, we will be glad to make reservations for you and your friends in motels and hotels. Wire, write, or call the above address if you want reservations in motels or hotels.

"Patriots, this may be the last time that you will be able to exercise your remaining Bill of Rights guaranteed you under the Constitution of the United States of America. It is your patriotic duty to come and bring your family and friends.

"Plan now and don't fail to come.

"Yours truly,
/s/ JAMES R. VENABLE."

Informant stated the above notices are being sent to all Klan organizations and numerous members in an effort to attract a large gathering for the rally.

In addition, liaison was established with the U. S. Secret Service and G-2 in view of their immediate interest in this matter.

For further information of the Bureau, Judge CHARLES W. WHITE, Civil Court No. 1, Court of Common Pleas for Cuyahoga County, Cleveland, on 8/20/65, denied a temporary restraining order on a petition by the Howard Johnson Restaurant Corporation to prevent the occurrence of the NKKKK rally at Strongsville, Ohio, on 8/20/65 in that the NKKKK had already vacated plans to hold the rally at Strongsville, Ohio. TOWNSHIP, OHIO, AUGUST 21 and 22, 1965

NKKKK Activities of August 21 and 22, 1965

Sheriff NORMAN J. STUART, Sheriff of Medina County, Medina, Ohio, during August 21 and 22, 1965, furnished the Cleveland Office of the Federal Bureau of Investigation information concerning a rally of the NKKKK held August 21 and 22, 1965, at Brunswick Hills Township, Ohio, which is set forth as follows:

b7C

The NKKKK meeting commenced at 6:00 AM, August 21, 1965, on the property of [redacted] located at [redacted]

[redacted] of the intersection of [redacted] Brunswick Hills Township, Medina County, Ohio. This meeting of the NKKKK was originally scheduled to be held in Strongsville, Ohio, but was switched at the last moment to the Brunswick Hills Township location due to strong opposition in Strongsville, Ohio.

Twelve checkpoints were jointly set up by the Medina County Sheriff's Office and the Ohio State Highway Patrol at all access points leading into the meeting area. At these points, all cars entering the area were physically searched for weapons, as well as a screening of occupants to exclude the

possibility of admitting individuals who could be a cause of possible trouble. During the course of the two-day affair, some 25 weapons were confiscated. These weapons included revolvers, rifles, shotguns, baseball bats, knives, and a tear gas bomb. Approximately 300 law enforcement officers were on hand at the scene of the rally site and checkpoints during the two-day period.

A Law Enforcement Command Post was set up on a farm on U. S. Highway 42 across from the NKKKK rally site and arrangements were made to reinforce law enforcement officers present in case of the eruption of a riot.

During the course of the day, [redacted] Ohio organizer of the NKKKK, took strong objection to the utilization of the checkpoints by the law enforcement agencies and was vehement that there was no need for such a procedure. However, it was pointed out to [redacted] that at that point a carbine and ammunition had already been confiscated as a result of the checkpoints.

A vacant cement block restaurant on the [redacted] property was utilized as headquarters for the NKKKK rally, and above this structure flew a Confederate flag and a flag of the United States. This cement block structure was also set up to handle registrations for membership into the NKKKK. A wooden platform complete with a public address system was erected for speeches.

During the morning and afternoon registration on August 21, 1965, there was no more than 50 or 60 individuals at the NKKKK site at any one time and the peak crowd at the night festivities is estimated at 500 people, although NKKKK officials estimated the crowd at between 3,000 and 5,000. NKKKK officials would reveal no information as to the number of individuals who registered for NKKKK membership.

At about 8:00 PM, August 21, 1965, a group of about 25 pickets in five cars appeared in the vicinity of the NKKKK rally site. They identified themselves as the "Ohio Friends of MAE MALLORY Committee" and carried signs which read "The KKK Preaches a Super Race--As Hitler Did", "Klansmen are American Nazis" and "I'm a Catholic, Can I Join?". These pickets

assembled on the west side of U. S. Highway 42 opposite to the NKKKK rally site and were composed of both males and females of the white and Negro races who appeared to be college students of college age. Although both groups, the picketers and those at the NKKKK rally, shouted insulting remarks at one another, there was no violence.

REMARKS

Pickets, as well as those in attendance at the NKKKK rally, were kept on opposite sides of U. S. Highway 42 by law enforcement officers.

During the evening hours on August 21, 1965, JAMES R. VENABLE, National Chairman of the NKKKK, gave a short speech in which he advised that the Klan feels there is a place for the colored man in the United States but that God did not mean that the colored should be integrated with the white man. He advised that all white Christians were invited to join the NKKKK with the exception of those white people who owe their allegiance to powers in foreign lands, such as Catholics and Jews. He noted that recent riots in Los Angeles, California, have added thousands of new Klan members to their rolls. He also noted that he was satisfied with the present rally, although he was disappointed by the roadblocks put up by the law enforcement agencies. He announced that the site would be opened on Sunday, August 22, 1965, for the sole purpose of registering new members into the NKKKK.

b6
b7C

[redacted] of the NKKKK, also gave a short speech which was substantially the same as VENABLE's, and further noted "the police are making the area a police state" and have turned away people who wanted to come to the rally.

Following the speeches a 25 foot cross was burned at 9:30 PM, signifying the close of the meeting. As the cross slowly burned, the pickets and those in attendance at the NKKKK rally slowly dispersed in small groups, and by 10:00 PM, the crowd was dissipated. At 10:15 PM, the area was considered secured and law enforcement officers departed.

On Sunday, August 22, 1965, the registration for new NKKKK members commenced at the same site at approximately 8:00 AM and was closed at approximately 5:00 PM. No speeches were given

W.E.B. DU BOIS CLUBS OF AMERICA

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates to this meeting were cautioned against the germ of anti-Soviet and anti-CP ideologies. These delegates were also told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

b2
b7D

A second conference of over 20 persons met in Chicago on December 28-29, 1963, for the purpose of initiating a "call" to the new youth organization and planning for a founding convention to be held in June, 1964.

[] source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. Du Bois Clubs of America was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "It is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of the socialist alternatives."

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member [redacted] split from the SWP.

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of LEON TROTSKY and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery individuals characterized by the minority as petty-bourgeois.

PROPOSED NKKKK RALLY AT
STRONGSVILLE, OHIO
AUGUST 21, 1965

Chief of Police CHARLES B. SPERBER, Strongsville Police Department, Strongsville, Ohio, on August 17, 1965, informed that the NKKKK plans to hold a rally on Saturday, August 21, 1965, at Strongsville, Ohio. The site of the rally is a vacant 14-acre tract of land which is situated on Whitney Road and a few hundred feet east of Pearl Road (US Highway 42). The tract of land has a frontage of 790 feet on Whitney Road and can be readily located, inasmuch as it abuts the Howard Johnson Restaurant and Motel which is located on the southeast corner of Whitney Road and US Highway 42 and in the immediate proximity of Interchange 10 of the Ohio Turnpike, Strongsville, Ohio.

SUBJECT ORGANIZATION

Chief SPERBER informed that sometime during the latter part of July or early August 1965, an individual who identified himself as [redacted] of Lebanon, Ohio, contacted him, at which time he [redacted] stated that he was the Ohio organizer of the NKKKK and that the NKKKK was considering several sites in Strongsville, Ohio, for a rally to be held August 21, 1965. [redacted] stated that he was contacting Strongsville, Ohio, authorities inasmuch as he wanted to comply with the local laws and wished to determine if a permit were needed for such a meeting.

He said there would be no violence and that drinking and carrying of guns would be prohibited.

Chief SPERBER noted that [] was advised that no permit would be required and such an assembly on private property would not be a violation of any local ordinances.

Chief SPERBER continued to say that [] related that the purpose of the meeting would be to register individuals for Klan membership. Registration would commence at 6 a.m. and continue through to 8 p.m. From 8 p.m. until 10 p.m., there would be a Klan-type religious ceremony, followed by the burning of a cross. He advised that the Klansmen would not wear hoods and also noted that Klan registration is now open to "Catholics." [] added that the speaker for this rally would be JAMES R. VENABLE, National Chairman of the NKKKK, from Georgia.

SUBJECT ORGANIZATION

[] had no estimate of the number of people expected at the rally, although he noted that at a similar NKKKK rally held during May 1965 at Lebanon, Ohio, only about a few hundred people were expected, and they were surprised when 8,000 showed up. In this connection, [] stated that they were seeking a site for the rally which would be easily accessible to individuals wishing to attend the rally and also near a major highway where the activity could be viewed from the road in order to entice people to enter. Chief SPERBER also noted that he has learned of an unconfirmed rumor that 2,000 Negroes from the Ford Motor Company, Brookpark, Ohio, will picket the rally. The Ford Motor Company was contacted, at which time it was learned that the Ford Motor Company employs approximately 8,000 Negroes at their Brookpark plant; however, a Ford Company official doubted that any of these Negroes would picket the NK K K K K rally, inasmuch as they are working seven days a week; work a considerable amount of overtime each day; and are very well off financially to participate in any such activity. This Ford Company official also noted that in the event there was such a plan, this would have come to the attention of the management through their company "sources."

Chief SPERBER advised that his entire department is alerted and that the area of the rally will be heavily patrolled to exclude the possibility of any violence. He noted that the Ohio State Highway Patrol has been alerted and they will have "up to 100 men" on standby for immediate movement into the area, should there be any sign of violence.

Chief SPERBER concluded that there was strong local opposition to the proposed NK K K K K meeting and that legal action is presently contemplated by the Howard Johnson Restaurant Corporation to prevent the occurrence of this meeting.

A Confidential Informant, who has furnished reliable information in the past, on August 16, 1965, informed that the Workers World Party (WWP) at Youngstown, Ohio, is attempting to recruit a group of WWP members from Youngstown, Ohio, to "peacefully picket" the NK K K K K rally at Strongsville, Ohio, on August 21, 1965.
